

Summary

1. Movies made in USA and India are the maximum.
2. RSVP Movies should also focus on making movies which is more of Indian Origin with taking some Favorite Indian Actors.
3. RSVP Movies profit will increase after making more Indian Origin Films as the population of India is far more than USA.
4. USA producers should invest in Indian films as the making of the film will be far cheaper as 1\$ is approximately 80 INR.
5. Drama, Comedy and Thriller genre are the top 3 grossing movies over the period of time.
6. Dream Warrior Pictures and National Theatre Live is the number 1 production company despite having only 3 movies.
7. Drama genre movie has the highest movie count.
8. After conducting a Voting between Germany and Italian Movies most people love to watch German Movies.
9. Director James Mangold has the highest movie count with an average rating of more than 8, which concludes that RSVP should hire Director James Mangold for their upcoming projects.
10. Also, actor Mammooty should be hired for the upcoming films as the average median rating of the actor is more than 8 also the actor has delivered approximately 8 movies.
11. Our top 3 production houses are Marvel Studios, Twentieth Century Fox and Warner Bros.
12. If we would like to make an Indian Origin film as per the records the best actor is Vijay Sethupathi as he has the max votes with an average rating of 8.42.
